### **7415 Dress with button facing**

Good morning, sunshine! Dresses with button facings are the must-haves this summer. Not only are they super light but the bright yellow also conjures up the sunshine. The smocked back part is easily created with the Clear pintuck and decorative stitch foot and the Pintuck attachment.

By the way, don't be afraid of sewing on the many buttons. With the Button sew-on foot, it is a matter of seconds to sew them on. Please find some helpful tips on how to sew on buttons and to smock on the Tips pages.

### 7417 Wrapped skirt

Wrapped dresses have been trendy for a while and the skirt to tie simply comes next. The prints range from floral to dotted and striped to leopard look. For the right styling, it is best to combine with a simple top.

# Light Summer Favourite

A WHITE TUNIC DRESS IS TIMELESS AND ALWAYS AN OPTIMAL COMPANION WHEN GOING TO THE OUTDOOR SWIMMING POOL, THE SEA OR THE LAKE. OUR SUMMER FAVOURITE IS AN ENCHANTING COMBINATION OF LIGHT LINEN AND DECORATIVE HOLE EMBROIDERY.

## 7421 Tunic dress

The hole embroidery emphasises the sleeve hem as well as the skirt and the top part of the dress. A special eye-catcher is the attached sleeve and skirt seam sewn with the rolled hem. The neckline is surrounded by a decorative stitch, matching the embroidery combination wonderfully.

# BEACH TIME

THE SUMMER IS NEAR AND THEREFORE WE ARE DRAWN BACK TO THE BEACH – WHICH, OF COURSE, IS EVEN MORE FUN WITH THE RIGHT GEAR.

## 7435 Beach dress

The linen fabric is pleasant to wear and with this colour gradient a real gem. The homemade fringe border enhances the fresh effect of the sea-blue.

## 7436 Swimsuit

This model is unique as it is sewn by yourself! The emerald green batik pattern and the asymmetrical gatherings skilfully accentuate your curves – a real eye-catcher. With the overlocker and the Elasticator foot, the material can be easily processed.

## 7437 Bikini bag

And after bathing, off into the bag, be it the bikini or the swimsuit. Meanwhile, the cheeky toucan is having a cocktail right from the beach bar. Cheers!

# Splish-Splash

READY FOR LIFE'S LITTLE PLEASURES? THE BEACH AND OUTDOOR SWIMMING POOL WILL SOON BE BECKONING YOU. HAPPY COLOURS ON CHEERFUL BEACH FASHION FOR BOYS AND GIRLS ARE A MUST.

### 7430 Bathing poncho

After a swim, slip the poncho on; this almost saves you the towel and protects the little ones from too much sun and cold wind. The cotton overlock yarn hems all edges in a decorative way, which makes it so easy to sew this poncho.

### 7431 Swimsuit

It doesn't take much – two kinds of swimsuit fabric, a good overlocker – and girls' dreams will come true. Please find useful "How-to" tips on pages 19–20.

### 7433 Sunhat

Children's skin is particularly sensitive to the sun, making the sunhat indispensable. But the colour-edged flounces and the row of decorative stitches with the leaves turn this duty into a fashionable pleasure.

### 7432 Shorts

Boys and of course also cool girls like to wear practical shorts with this playful life saver design. Even sewing beginners will succeed with the simple cut.

# Let the Sunshine In!

PAINT THE SUMMER YOURSELF! AND AN EVENING ON THE BALCONY WITH FRIENDS IS EVEN MORE FUN. THE SUNNY PAINTWORK DESIGNS MAKE YOU WANT TO BE OUTSIDE ON WARM SUMMER NIGHTS.

## 7445 "Sun" cushion

Sun, moon and stars? Our favourite is the sun! With the BERNINA DesignWorks Software, you can realise your very own motif wishes. Alternatively, the sun can also be painted on by hand, or sewn on as an appliqué.

## 7446 Cushion with embroidery

The embroidery is a combination of a motif from the BERNINA Embroidery Software 8, supplemented with a few easy-to-digitise diamonds. When using the large Mega Hoop, everything will fit into one embroidery hoop.

## 7447 Placemat

Here's how to be in a holiday mood every day: the placemats are painted with cheerful colours and are sewn quickly. The topstitching is particularly successful with the Edgestitch foot.

## 7448 Bread bag

The bread bag made of linen is a pretty eye-catcher on every table. It is particularly useful when it comes to repelling flies outdoors.
